

TESTIMONIO FAMILIA SCHYLAGNER-HEIN (ALEMANIA)

Hello Martha,

We wish all of your family and all of the crew of the Casa del Sol a merry Christmas.

Damaris is developing very well. She is still a very happy, healthy and funny child. She loves laughing and singing and makes us the happiest parents of the world.

What a pity you didn't come to Germany. We would have enjoyed it very much to meet you again (And we're sure you would have enjoyed seeing Damaris).

Lots of luck and health and a happy new year,

Yours sincerely,

Bettina and Peter Schlagner-Hein
